CLASE N°5 : FORMATO A3

ROTULO

The image shows a hand-drawn technical drawing template for A3 format. At the top, the dimensions 25, 217, 13, 20, 41, and 55 are marked along the top edge. The drawing is divided into several sections. On the left, there is a vertical column with a box containing a circle and a crosshair. To the right of this column, there is a large rectangular area labeled 'CETN°'. To the right of 'CETN°', there is a vertical column with a box containing a circle and a crosshair. To the right of this column, there is a large rectangular area labeled 'NOTA:'. To the right of 'NOTA:', there is a vertical column with a box containing a circle and a crosshair. To the right of this column, there is a large rectangular area labeled 'CURSO:'. To the right of 'CURSO:', there is a vertical column with a box containing a circle and a crosshair. To the right of this column, there is a large rectangular area labeled 'LAMINA N°'. The dimensions 10, 10, 10, 10, 10, and 10 are marked along the right edge of the drawing.

En la clase de hoy veremos cómo realizar recuadro y rotulo de la hoja formato A3 (grande)

Luego de la explicación, lo realizaremos y publicaremos la foto de la lamina realizada.
